

HONORING COLONEL SCOTT
VANDER HAMM

HON. STEPHANIE HERSETH SANDLIN

OF SOUTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Ms. HERSETH SANDLIN. Madam Speaker, I rise today to honor Colonel Scott Vander Hamm, commander of the 28th Bomb Wing at Ellsworth Air Force Base in South Dakota, for his commendable record of service to our country. Colonel Vander Hamm is leaving Ellsworth for a new assignment, but his efforts have left a lasting impact on Ellsworth, my state of South Dakota, and the security of our country.

Over the course of a career that has seen him earn the Distinguished Flying Cross and the Bronze Star, Colonel Vander Hamm has logged more than 4,200 hours as a pilot, which adds up to 167 days in the air. He has the flown the B-52, the B-2 and now the B-1. He flew a combat mission the first night of Operation Iraqi Freedom, a mission Col. Vander Hamm has referred to as one of his most memorable flights. As the 7th Operations Group Commander, Colonel Vander Hamm also led planes in support of Operation Enduring Freedom, and the expeditionary group he commanded flew over 900 combat and combat support missions.

However, Colonel Vander Hamm describes himself as an officer first and an aviator second. At Ellsworth, he commanded the largest B-1 combat wing in the U.S. Air Force, with 29 aircraft and more than 4,300 personnel. His organizational skills and drive kept that force in top shape, ready to respond to a crisis at a moment's notice.

He's also a proud family man. His wife Joanna, seven daughters and four sons have all helped shape the Colonel into a great leader of men and women. The Vander Hamms have become an important part of the Ellsworth family and their looming absence will be felt by the entire base.

The leadership and diligence shown by Colonel Vander Hamm and our nation's other military commanders are second to none. I am personally immensely grateful for the values and honor that soldiers such as he have instilled in the fabric of our society. And I am sure the people of South Dakota and the entire country join me in thanking him for his sacrifices in helping keep all of us safe.

Madam Speaker, it is with enduring pride and respect that I rise today in recognition of Col. Vander Hamm and his service at Ellsworth Air Force Base. The state of South Dakota will miss him, but we are all fortunate that his service to our nation continues.

HONORING CHARLIE WINTERS

HON. RON KLEIN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. KLEIN of Florida. Madam Speaker, I rise today to honor the memory of Charlie Winters. Mr. Winters was an ordinary Florida businessman who played an extraordinary role in history.

In 1948, he provided an aircraft to the Jewish armed forces in pre-war Israel for its de-

fense during the Israeli Independence War. Had Mr. Winters and other Americans not provided this assistance at such a critical time, Israel may not have survived as an independent state and become one of our Nation's staunchest allies. However, Mr. Winters was not honored at the time for his heroism. Instead, he was arrested and convicted under the "Neutrality Act" for his role in Israel's founding. In fact, he was one of a handful of Americans convicted and he was the only one to serve a prison sentence.

Mr. Winters was released from prison on November 17, 1949 and lived a humble and quiet life thereafter in Miami. In 1984, Mr. Winters passed away, and never told his family about his story. But, his obituary in the Miami Herald was entitled "Charles Winters, 71, Aided Birth of Israel," and noted that he was honored by the late Golda Meir, and had earned "a place of distinction among the Americans who banded together clandestinely at the end of World War II to help Jews establish a state in Palestine."

Last year, several of my colleagues and I sent a letter to the United States Justice Department, asking for a posthumous pardon for Mr. Winters. We are grateful that President Bush issued a pardon in December, thereby clearing Mr. Winters name and providing comfort to his family.

Today, the Jewish Federation of Palm Beach County's Jewish Community Relations Council will be hosting Jimi Winters, the son of Charlie Winters, to honor the memory of his father. While I regret that I cannot be with them today, I join them in their celebration of Mr. Winters' memory. Mr. Winters' actions helped secure the independence of the state of Israel, thereby establishing a beacon of democracy in the Middle East.

HONORING THE 75TH ANNIVERSARY OF THE ESTABLISHMENT OF THE OMAHA DISTRICT OF THE U.S. ARMY CORPS OF ENGINEERS

HON. LEE TERRY

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. TERRY. Madam Speaker, I rise today to honor the establishment of the Omaha District of the U.S. Army Corps of Engineers 75 years ago. Since that time, the Omaha District of the Corps has performed admirably in a wide range of duties, and today manages more than a billion dollars worth of civil works, military construction, and environmental restoration projects. Members of the Omaha District of the U.S. Army Corps of Engineers currently serve in Afghanistan and Iraq as part of the Global War on Terror.

When the Omaha District was established in 1934, its initial mission was the construction of the Fort Peck Dam in Montana. That project was the first of many that resulted in the construction of a total of 6 dams along the main stem of the Missouri River that provided necessary jobs during the Great Depression. This was just part of the Corps' efforts to harness the mighty Missouri River basin through construction of a vast set of engineering projects
